Here's the info for our 2018-19 Ski/Snowboard Program for 4th-6th grade students.

Who: Students in grades 4th-6th. Additional reduced rate tickets and rentals are available to purchase through the elementary school so other family members can drive up. **However, only 4th-6th grade students currently attending our school will be allowed to ride the bus and participate in lessons.**

Dates: January 10, 17, 24 and February 7 (all Thursdays)

Deadlines: Students must have all paperwork and money (exact change please) turned in the **MONDAY** before we go.

Times: 4:00 p.m. ~ meet at Ucon Elementary
4:30 ~ bus leaves Ucon
9:00 p.m. ~ students back on the bus
9:45 or 10:00 p.m. ~ return to Ucon, where rides are waiting ☺

Lessons: Lessons are offered as part of our ski/board program for 4th-6th graders. New to skiing/boarding ~ Lessons are **required** and must be taken weeks 1 & 2! Weeks 1 & 2 ~ lessons available for all levels (1-3) of skiers/boarders. Weeks 3 & 4 ~ level 1 (returning skiers/boarders) and 2-3 still available. Refunds on lessons are not available for students who are sick or those who choose not to take their lesson. Kelly Canyon has the instructor there & they still must be paid. Start at 5:30 at the Ski School (in front of lodge, far end).

Cost: **Student tickets are \$16 plus any expense of renting equipment & lessons (see sign-up form).**
Adult tickets (which include students above 6th grade) are \$19.
Sibling tickets are available for students 6th grade and under for \$16.

Food: We recommend bringing a sack dinner packed with plenty of protein and limited amounts of sugar. Dumping sugar into the body results in less energy and less ability to deal with fatigue and cold temperatures! Food is sold at the lodge but is way more expensive than it has been in the past!

Clothing: When participating in a winter sport, the rule of thumb is to wear many layers so that layers can be added or removed as needed.

Hats: Helmets are strongly encouraged! Thin hats can be worn under helmets. Otherwise, a warm winter hat.

Feet: 2 pr. of socks that come above the calf of the leg, 1 light and 1 medium weight

Legs: A pair of long-johns, covered by sweats, then topped with insulated snow pants. A child who tries to ski or board in jeans will end up cold and unhappy.

Top: A long-sleeved t-shirt followed by a turtle-neck then a sweater or sweatshirt and a warm coat gives versatility and warmth.

Face: Something to cover the neck and chin. A turtle-neck can do this as can a neck warmer. Scarves aren't allowed because they risk being caught on the lift.

Hands: Gloves or mittens specifically made for skiing or snowboarding. These are often nylon or leather and are waterproof. They have extra insulation to keep fingers warm even when wet. Knit mittens or gloves just don't do the trick.

Refunds: If a student is sick, refunds are available for tickets and rentals but not for the bus or lessons.
